We usually receive a commission from the protection provider we recommend. Full details of this will be included in your Key Features Illustration (KFI).

At AS Financial, we invest significant time in understanding your needs and providing tailored advice. This advice is normally paid for through the commission we receive from the provider. However, if you cancel your policy within the first two years, the provider may ask us to repay that commission.

To ensure we're fairly paid for the work we've done, we may charge a cancellation fee equal to 12 months of your policy's premiums if you cancel within 24 months.

Important: Some providers – such as Vitality – do not permit advisers to charge a cancellation fee on their policies. If you choose to take out cover with Vitality, a cancellation fee will not apply.

We're always happy to talk through any concerns or reasons you might have for cancelling. We'll do our best to help you avoid any unnecessary costs. And of course, you still have the right to cancel your policy within 30 days of starting it, completely free of charge.
